Task Area	Major Area(s) of Concern	Strategies/Tasks	Resources Used	Evaluation
Student Development	To strengthen students' supporting network in order to develop positive thinking by helping students to set clear goals about potential exit pathways	To launch S6 "I am ready" Programme with Careers Orientation Workshop and Mock Interview Workshops	7 Careers Orientation Workshops \$21000.00 5 Mock Interview Workshops \$6000.00	<p>7 Careers orientation workshops were conducted on a class basis by social workers from HKFYGs and mentors in classrooms on 29 Sept 16. The feedback from students was very positive and they found the counselling activity useful in helping them to make careers decisions. 95.5% said they knew more about their personal traits, 90% on careers and study directions. 97.8% found the event on the whole well organized.</p> <p>On 4 May 17, 5 workshops on interviewing skills were conducted by careers teachers and 3 coaches from HKFYGs. Students signed up for the focused- group training workshops on 5 different subjects, namely</p> <ul style="list-style-type: none"> - Health, Nursing & Medical Sciences - Business & Management - Hotel Management & Tourism - Maths, Science & Engineering - Language Education <p>Among the 28 participants, 100% students agreed the workshops improved their knowledge, skills and preparation ability. 100% agreed that the workshops were useful and the format was appropriate. It was suggested that the workshop could be put forward to a school day or Saturday before the mock examination so that more students could be available.</p>
		To organize two careers and life planning talks to parents in order to help their children make informed careers choice	2 Careers & Life Planning Talks to Parents \$3800.00	<p>A talk on JUPAS & E-APP application was given on 5 Nov 16 in conjunction with the Parent & Teacher Association to 63 parents. Around 50 attendees were parents of S 6 students and the rest were those of F 4 and 5. The parents were briefed about the JUPAS and E-APP systems and the appropriate parental intervention by KSK and social workers from the Stewards HK. Info booklets and powerpoint printouts were given to the audience.</p> <p>Guest speakers from the Stewards HK also gave a seminar with interactive activities on possible study options for NSS students on for F 4 and 5 parents on 19 Feb 17. The talk touched on the local study options and advice on how to handle emotional issues was also discussed. According to the post talk survey, 84% attendees found the info of high relevance to their needs and similar percentage of parents agreed that the event was informative.</p>

Enhancement of Learning Tools	To provide easy and efficient access to information online to encourage self-learning and facilitate information research for project work	To purchase 37 desktop computers and set them up in the Language Centre	\$284,900	The computers were used a lot by students both in and after class for academic purposes. Teachers of Liberal Studies have made frequent use of them for classroom teaching.
Enhancement of teaching effectiveness	To resolve the problem of subject mismatch and to fill the vacant teaching posts of some subjects	To hire GMs to teach English, Geography and Physics plus Mathematics	\$1,759,183.40	It was agreed by all staff that the work of the GMs, the Assistant Teacher, the Teaching Assistants and the Assistant Librarian has helped with the smooth running of the school and facilitate students' effective learning.
	To provide support for teachers and reduce their workload	To hire one Assistant Teacher, two Teaching Assistants and one Assistant Librarian		The Assistant Teacher, Teaching Assistants and the Assistant Librarian have also lightened teachers' workload, especially the non-teaching work, substantially.
